

My BYOD Code of Conduct Agreement

ONLINE CONDUCT

1. I will not post pictures of myself or my friends online. I will not post images or video of myself or college students and staff online unless express teacher permission is given for a specific learning task.

4. Anything that I communicate online – words, pictures, video or other projects, will be something I would be happy to have my parents or teachers see. I will use appropriate language and I keep in mind at all times that I am representing myself, my family and my school to the whole world.
5. I will use images that I create myself or that I know are from shared, copyright-free sources. When I use other people's words or images I will give them credit.
6. If I feel uncomfortable or threatened in cyberspace I will report it to a teacher or a College Child Safety Officer.
7. I will not use my College email address for personal use.
8. I will not access information/content not meant for me.
9. I will not share confidential online content inappropriately.

PARENTS

1. As the parent or guardian of this student, I have read the BYOD Handbook and Code of Conduct. I understand that the ICT equipment and devices at the College are designed for educational purposes and that any violations of the conditions as set out in the agreement can lead to loss of privileges for my child.
2. I understand that it is impossible for the College to fully restrict access to controversial materials on global information systems such as the Internet. I also understand that while the College will take appropriate measures to limit access to illegal, dangerous or offensive materials, ultimately, it is each student's responsibility to avoid access to such material. I hereby give permission for my child to be given access to College electronic communication networks including the Internet.

BREACH OF THE CODE OF CONDUCT

1. I understand that breaching this agreement will result in my being taken off the network temporarily or permanently depending on the seriousness of the offence and that this may be recorded on my student record. For more serious matters where a criminal offence occurs, further disciplinary and/or legal action may be taken as outlined in the College's Bring Your Own Device Code of Conduct Policy.
